Dear parent/carers,

We hope that your child has enjoyed their first week back at school.

A polite reminder that Year 6 are due in school at 8:40 and will leave school at 3:00.

SATs week is currently timetabled to be Monday 8th May – Thursday 11th May 2023. Please avoid booking holidays that week. If there are any changes to this, we will endeavour to keep you up to date.

Like in previous years, your child has received all of the stationary that they will require but they are more than welcome to bring their own from home.

We have a busy term planned already, with a cinema trip to Boldon on November 9th, and Beamish is booked for 23rd November (World War 2 theme). In addition, Derwent Hill has already taken place where both children and staff enjoyed a truly great start to the year.

Whilst in Year 6, your child will be exposed to a broad and balanced curriculum. As staff, we have carefully and thoroughly planned each subject – for further details, please take a look at the full Year 6 curriculum displayed on the school website.

Your child's PE day is a **Wednesday** so your child will need to continue to arrive in school wearing their Kit. PE lessons will take place inside and out, dependent on weather so your child's choice of kit should reflect this. Trainers will be required for all pupils, with black, navy or grey tracksuit bottoms or joggers recommended (or leggings for the girls) along with a T-shirt and a hoodie for when the weather gets cooler.

Reading is still exceptionally important in Year 6 and it is imperative that children are still reading regularly. Children will bring reading books home this week and will be expected to return these along with a completed reading journal on a **Monday** morning. Homework will be set electronically each **Monday** to be completed by Sunday night by 8pm. Spellings will be set each half term – your child should've brought the list home this week. Please ensure they practise regularly ready for the test on **Friday**.

If you have any further queries, please call school and we will be happy to help.

Warm regards

The Year 6 team
