Dear Parent/Carer

**CLUB I.T**  
**Year 3**

On Wednesday 12<sup>th</sup> October, I will be launching CLUB I.T. CLUB I.T is an after school computer-based session, which provides the children with lots of opportunities and activities to develop their existing skills and learn new ones such as programming, coding and game development.

The session runs from 3:00 to 4:00pm and there are twenty places available, so if you would like your child to take part, please complete and return the reply slip below at your earliest convenience and make arrangements to collect them at the later finishing time. I look forward to meeting you and working with your children.

Yours sincerely  
Mr A Scott
