Dear Parent

BROADWAY JUNIOR SCHOOL
Parent Governor Election

One vacancy exists at your child's school for a Parent Governor with immediate effect. Governors serve a four year term and the Governing Board of Broadway Junior School will comprise:

- 6 Co-opted Governors
- 3 Parent Governors
- 2 Staff Governors (including the Headteacher), and
- 1 Local Authority (LA) Governor

I am writing to you, on behalf of Education Services, to seek nominations for these Parent Governor positions. You would be expected to attend Governing Board meetings at least once a term:

Working alongside the Headteacher, governors' responsibilities now include :-

- attending meetings regularly and contributing to discussions. Governing Boards must meet at least three times per year.
- helping to establish the aims, policies and objectives of the school, and how standards of education can be improved
- helping to draw up the School Development Plan
- setting the school budget and monitoring expenditure
- ensuring that the national curriculum is implemented and hearing any complaints about its delivery
- appointing, promoting, supporting and disciplining school staff, and deciding their salaries
- acting as a link between the local community and the school
- producing an action plan after an OFSTED inspection and monitoring how the plan is put into practice

- considering cases of excluded pupils
- establishing a Performance Management Policy
- ensuring accountability

You do not have to be an expert on education to be a member of the Local Governing Board, and we value the contribution that all members bring to the role. Nevertheless a key consideration in the appointment and election of all new governors should be the skills and experience the Governing Board needs to be effective. It is therefore important that all prospective governors for election or appointment understand the role of a governor and that they will be expected to adhere to a governance Code of Conduct.

Any specific skills or experience that would be desirable in a new governor, such as the willingness to learn or skills that would help the Governing Board improve its effectiveness and address any specific challenges it may be facing.

If you would like to be nominated as a Parent Governor please contact the school where nomination forms are available. In the event that there are more nominations than vacancies, it will be necessary to hold a ballot. Please note that the deadline for completed nomination forms to be returned to the school is the end of the school day on **WEDNESDAY 9TH NOVEMBER 2022**.

It should be noted that the appointment of a Parent Governor will be subject to a satisfactory Disclosure and Barring Service check (DBS). The Council is responsible for processing these checks on school governors and candidates can be assured that all information is treated in absolute confidence.
