

Jobs within School Meals

PVH Catering Assistant

Rate of pay £9.62 - £9.81 / hour

Looking for part time, term time work in school meals ? Do you have a happy, pleasant manner and a love of children ? Then please read on !

Variable Hour positions exist within the school meals service across all areas of the City of Sunderland (including Washington / Hetton le Hole / Houghton le Spring). Duties will include the serving of meals, washing up, cleaning of the kitchen, movement of dining furniture and all general catering duties. You will be required to cover in a range of kitchens in your locality where required and hours worked will depend on the kitchen where you are covering but will tend to average around 2 hours / day over the lunch time period. If you are looking for extra hours, then work is also available within the Council's Building Cleaning service, cleaning in schools / Civic buildings on mornings / afternoons (this can be discussed at interview if necessary). There is regular work available for PVH staff and permanent contracted hour positions are advertised for existing school meals employees throughout the year. Previous catering experience is not essential as full training will be provided.

To apply for the position please go to :

[Catering Assistant - PVH - Sunderland City Council - North East Jobs](#)

For an informal discussion please contact Keith Miles, Catering Services Manager on 07801 042 171 . E-Mail: keith.miles@sunderland.gov.uk

Relief Catering Supervisor

Rate of pay £11.50 - £12.69

Contracted hours : Minimum 27.5 hours / week . Mon – Fri term time only

If you have a cooking qualification, an employment history in a cooking capacity (eg chef / cook) along with a friendly personality and a love of children then the school meals service is looking for you !

This is a hands on role which will include cooking fresh and healthy meals for school children and school staff on a daily basis to anywhere between 50 – 250 pupils on a daily basis . It is a mobile position and will involve deputising for School Cooks in their absence so you will need to be able to travel between locations across the City.

As well as cooking to a good standard, you will supervise staff, co-ordinate the day to day kitchen operation and oversee food safety, health & safety matters as well as administration duties.

Working in a school environment is incredibly rewarding and fulfilling but requires a customer friendly approach and a happy and positive manner.
